Will you be attending the evening happy hour on Friday, November 29? Location to be confirmed soon (we'll send an email or text).

Yes!

Tell us a song that will get you on the dancefloor! Name the artist too, please!

Rihanna - We Found Love

Your note:

Woohooooo I'm so excited!! Pri can't make it with her crazy work schedule on Friday and Monday - so Jon and I will be there bachelor style! LOL

A FEW REMINDERS AND TIPS!

- **Wedding transportation:** Please take an Uber / Lyft to the Sowden House (5121 Franklin Avenue) - there is no dedicated parking at the venue and street parking is limited.
 - **Menu:** Don't worry - we'll have vegan options available!
 - **Where to stay:** The venue is in the neighborhood of Los Feliz. Some close (and relatively close) neighborhoods in which to consider booking a hotel or Airbnb include: Hollywood, West Hollywood, East Hollywood, Hollywood Hills, Silver Lake, and Downtown LA.
 - **Weather:** Average temps in LA in November will be low 70s (low 20s C) to low 50s (low teens C) in the evening.
 - **FOOD!:** Some of our favorite restaurants to try while you're in LA include:
 - Night + Market Song (REAL Thai, Silver Lake, \$\$)
 - Bestia (Italian, Downtown, \$\$\$\$)
 - Blackbird Pizza Shop (Deep dish pizza, Melrose, \$)
 - Spoon and Pork (Filipino, Silver Lake, \$)
 - Osen Izakaya (Japanese, Silver Lake, \$\$\$)
 - Ostrich Farm (Breakfast/Brunch, Echo Park, \$)
 - McConnell's (Ice cream, Los Feliz, \$)
 - Pine & Crane (Taiwanese/Chinese, Silver Lake, \$)
 - Silver Lake Ramen (Ramen, Silver Lake, \$)
 - Bulan (Vegan Thai, Silver Lake, \$)
 - Little Pine (Vegan, Silver Lake, \$)
 - Crossroads (Fancy Vegan, Melrose, \$\$\$\$)
 - Cha Cha Chicken (Jamaican - get the fried chicken!, Santa Monica, \$)
 - **LA Activities:** Outside of the regular touristy stuff, here are some suggested things to do and check out if you have time:
 - Head to **Grand Central Market** - tons of food vendors (yes, more food!). Our faves our Lucky Bird and Sari Sari Store.
 - Check out a comedy show at **The Comedy Store** in West Hollywood (last time we went, Ali Wong played a surprise set!).
 - Go for a hike in **Griffith Park** - worth the amazing views of the city. Also check out the **Griffith Observatory**.
 - The **Original Farmers Market**, while touristy, is always a good way to spend an afternoon - plus it's located next to an outdoor mall so you can do some shopping as well!
 - Have a coffee at **Intelligentsia** in Silver Lake and sit on the patio - great for people watching and celebrity sightings.
 - If you're staying in the west end / Santa Monica:
 - Head to **Malibu Farm Restaurant** for brunch and/or a drink and walk along the pier - amazing views of the ocean.
 - Check out **Lachuza Beach** - the entrance to this beach looks like it's a private gate, but it's public and it will lead down to a super secluded beach. *(Fun fact: this is where Blake proposed to Ron at Sunset :P)*
 - **Places to check out outside of LA:** If you have more time and plan to make this a mini-vacation, we'd definitely suggest you consider:
 - **Palm Springs** - we love the La Serena Villas.
 - **Joshua Tree** - tons of cute Airbnbs here - desert views are unforgettable.
 - **Santa Barbara and Solvang** - we love Hotel Californian in SB and highly suggest taking a wine tour by Sustainable Vine. Stay one night in Solvang, a super cute town with Danish-style architecture.
 - **San Diego** - we recently spent a month at an Airbnb in Ocean Beach, a hippie beach community. We drank kombucha everyday and loved it!
- We want you to have fun while you're in LA, so reach out to us if there's anything else you need!**
